

## Red Wagon Cocktail Kit Instructions

### 1. Red Wagon Caesar Kit

First step; Cut the lime into wedges and rim your favorite Caesar glass with lime juice from one of the wedges. Put the Spice Blend in a small bowl and dip the top rim of the glass into the Spices.

Next, add 1oz (30ml) or 2oz (60ml) into the glass, depending on how strong you like it, and add 6oz (180ml) of the premixed Wagon Caesar Mix and add ice to the top. Garnish with a pickle and a lime wedge and Enjoy!

### 2. Red Wagon Mimosa Kit

This one is pretty simple; choose your favorite glass for a mimosa, add 3oz (90ml) of Prosecco and 2oz (60ml) of Orange Juice.

Enjoy your Brunch!

### 3. Red Wagon Moscow Mule Kit

Another easy one. Grab your Copper Mug, add your desired amount of Russian Standard Vodka, (1oz (30ml) or 2oz (60ml) if you want to keep track...) add ice and around 6oz (180ml) of the Dickies Ginger Beer. You should be able to get 2 drinks per Ginger Beer bottle. Give the drink a quick stir, garnish with a dehydrated lime wheel and Enjoy!
